Licenses & Permits	\$500

Legal & Accounting	\$2400
Total(s)	\$83,000-\$88,000

Notes Regarding Initial Investment:

- Franchise Fee. The franchise fee and its refund policy are described in greater detail in ITEM 5. We don't make it a practice to finance any fee unless a written agreement exists from or preformed from only Nick-Anthony Zamucen . The \$35,000 fee is the minimum fee offered to franchisees.
- Real Estate/Storage Unit. You will operate the franchised business from an office you set up in your or designated managers home. You will also need up to 150 square feet of space to store service tools and equipment. The low estimate of \$75 is based on the assumption that you are able to store the service tools and equipment in an attached garage or other home-based storage area. The high estimate is based on the assumption that you lease a storage unit off site and will pay a security deposit and 2 months rent. It is difficult to estimate lease acquisition cost because of the wide variation in these costs between various locations. Lease costs will vary based upon square footage and cost per square foot. Some lessors may refund the security deposit if you cancel the lease before you occupy the premises.
- Office Equipment/Supplies. \$2000 You must purchase general office supplies including stationary, business cards, and typical office equipment. Factors that may affect your cost of office equipment and supplies include local market conditions, competition among suppliers and other factors. We do not know if the amounts you pay for office equipment and supplies are refundable. Factors determining whether office equipment and supplies are refundable typically include the condition of the items at the time of return, level of use and length of time of possession. You should inquire about the return and refund policy of the supplier at or before the time of purchase.
- Service Tools & Equipment. You must purchase from Us our Bio-One franchise "Quick Start Pack". The minimum fee for our QSP is \$32,590 but a maximum of \$35,590. You will receive broom, mop, buckets, sharps containers, vacuum cleaners, bio recovery suits, plastic face shields, box and carpet cutters, scissors, ozone machine, chemicals, fan, standard tools, and many other tools for the minimum standards of operating the franchise. This fee is NON-REFUNDABLE and is required to be purchased from Us prior to beginning your franchise and is due within 30 days of signing your franchise agreement.
- Computer & Software. You must purchase a computer and software/apps necessary for operating the franchised business. Our specification for a computer and software are described in ITEM 11. The amount you pay for a computer and software are typically non-refundable, or if refundable may be subject to a "re-stocking fee". You should inquire about the return and refund policy of the supplier at or before the time of purchase.
- Vehicle. You will need a cube or box truck or trailer to accommodate the required equipment and waist. The low estimate is based on an assumption that you own an acceptable late model cube/box truck. The high estimate represents the estimated cost of the down payment to purchase or lease a cube/box truck. The amounts you pay to lease a cube/box truck are typically non-refundable.
- Signage. Franchisee shall not put the company mark on the cube/box truck. This range includes the cost of the vehicle signage for 1 cube/box truck that you will use to operate the franchise. The signage requirements and costs will vary based upon the vehicle sign makers. The amounts you pay are typically non-refundable. You should inquire about the refund policy before the time of purchase.

- Insurance. You must purchase the following types and at minimum the following amounts of insurance:

1. “all risk” property insurance coverage for assets of the franchised business;
2. workers compensation insurance and employer liability coverage with a minimum limit of \$100,000 or higher if your state law requires;
3. comprehension general liability insurance with a liability coverage of \$2,000,000 per occurrence, or higher if your state law requires;
4. business interruption insurance;
5. automobile liability insurance of at least \$1,000,000 of higher if your state law requires; and
6. insurance coverage for contractual indemnity

Factors that may affect your cost of insurance including the size and location of the franchised business, value of inventory, equipment, number of employee’s and other factors. The amounts you pay for insurance are typically non-refundable. You should inquire about the cancellation and refund policy of the insurance carrier or agent at or before the time of purchase.

- Grand Opening. You must spend a minimum amount we specify on grand opening advertising during the first 3 months of operation. We determine the minimum based on our assessment of your advertising costs in your area and the time of year that you are opening. You may choose to spend more. Factors that may affect the cost of advertising are types of media used, size of add, length of add, customer demographics in the surrounding areas, and time of year. You should inquire about refund policies before or at the time of purchase.
- Licenses & Permits. State and local government agencies typically charge a fee for occupancy permits, operating licenses and permits to make improvement to your storage area. In addition to business and operating licenses and permits, you may need to become a licensed contractor or engineer to make repairs to damaged structures. The low estimate represents the cost of standard occupancy permits and operating licenses. The high represents the cost of permits and possible costs to obtain a contractor or engineer license. Your actual cost may vary depending on the state you are in and local government agencies. You should inquire about the cancellation and refund policy of the agencies at or before the time of payment.
- Travel. You must pay food all travel, transportation, and lodging for you and any person associated with your franchise during any training course offered by Bio-One Inc.

- Legal & Accounting. You will need to employ an attorney, an accountant and other consultants to assist you in establishing your franchised business. These fees may vary from location to location depending on the prevailing rates of local attorney's, accounts and consultants. These fees are typically non-refundable. You should inquire about refund policies before or at the time of hiring.

- Additional Funds. We recommend that you have a minimum amount of money available to cover operating expenses, including rent, utilities, and employee's salaries for the first 3 months that the franchise business is opened. We cannot guarantee that our recommendation will be sufficient. Additional working capital may be required if sales are low or operating costs are high. These expenses are typically non-refundable.

- Total. In compiling this chart, we relied on our industry knowledge and experience. The amounts shown are estimates only and may vary for many reasons, including the condition of your facility, the capabilities of you and your management team, where you locate your franchised business and your business experience and acumen. You should review these estimates carefully with an accountant or other business adviser before making any decision to buy a franchise. These figures are estimates only and we cannot guarantee that you will not have additional expenses in starting the franchised business.

Except as described in ITEM 10, we do not offer direct or indirect financing to you for any items.

No Refunds. We will not refund any of the payments You make except as provided in Item 5, above.

[This Page Intentionally Left Blank]

Item 8. Restrictions on Sources of Products and Services

You must purchase from Us or a supplier We approve certain equipment, supplies and inventory necessary to start or operate the Licensed Business. As to other equipment, supplies and inventory, You may purchase them from the vendor(s) of Your choice, but the item(s) must meet Our specifications. We issue specifications in writing and incorporate them in the Manual. These specifications include quality, accuracy, preparation, installation, application, delivery, performance, design and appearance. In some instances, You must purchase items that comply with Our reasonable subjective determination of whether they meet the standards and comport with the **Bio-One** image. If We have not provided specifications, You may purchase any items that reasonably meet the requirements of the Licensed Business.

In some locations, We will offer franchised **Bio-One** businesses on a fully equipped basis only. In that case, You must purchase the equipment and the initial inventory from Us or an affiliate or approved vendor. Your cost of equipment and initial inventory will be not more than Our cost for the items on a delivered and installed basis plus a reasonable margin of profit.

You must purchase from Us or a vendor We approve all items used to start or operate Your business that contain or bear the Marks. We and Our affiliate, are currently the only approved vendors for the initial equipment package. We or our designated vendor(s) will make a wholesale profit consistent with industry standards. All items that You purchase from approved suppliers must meet Our specifications. This includes advertising and marketing materials, forms, and promotional items. In addition, You must purchase the signs used to identify the Licensed Business(s) and Premises from a vendor We approve.

We publish a list of approved vendors and order procedures in the Manual. We may approve other vendors if You request it in writing or if a vendor requests it and if the vendor demonstrates to Our satisfaction that it is financially stable and can provide product(s) or service(s) that meet Our specifications and that are consistent with Our image. We may charge a reasonable fee to cover Our costs in evaluating a proposed vendor. We will give you a good faith estimate of our cost of evaluating a proposed vendor within a reasonable time after you make the request, but before we begin the evaluation process. We will normally make Our decision within sixty days. We reserve the right to disapprove any previously approved vendor whose performance falls below Our standards. We will make any approvals of new vendors or revoke approval of vendors in writing and will incorporate Our decision in the Manual.

During the fiscal year covered by Our Audited Financial Statements (Attachment A), neither We nor our affiliate derived any revenue from vendors based on required purchases or leases by franchisees made in accordance with Our specifications. Because of common industry practices, we expect to receive rebates, discounts and allowances from some vendors with whom you do business. We will place such monies in either the National Marketing Fund or in a separate fund to cover the cost of franchisee conferences and conventions and franchisee incentive programs. We will make a reasonable attempt to administer the funds in a way that is fair and equitable. We anticipate that such rebates, discounts and allowances may range from zero percent to as high as fifteen percent of the amount of your purchase of certain items. We expect the amount and availability to vary from time to time based upon factors outside our control. We will prepare an annual unaudited accounting of the amount of monies received and their application by general category and will provide You with a copy upon written request.

Please review Item 11 for information regarding computer hardware and software You must purchase or license.

Because this is the first time We have offered franchises, Our historic information about how much You will spend on equipment, supplies and inventory from Us or approved vendors is an estimate based upon historic spending for one similar business operated by our affiliate. Thus, We have almost no historic information about how much You will spend on equipment, supplies and inventory that must meet Our specifications.

We may negotiate purchase arrangements with suppliers for Your benefit in the future. Except as described in this Item, We do not currently provide any material benefits to You based upon Your use of designated or approved sources except that You know that We have confidence that the designated or approved vendor can perform to Our specifications.

Your employees and manager(s) must complete certain training programs at Your expense. We have no historic information about how much You will spend on mandatory training programs. See Item 6.

We estimate that Your purchases of goods and services from approved sources will represent approximately 90 to 100% of Your overall purchases in operating the Licensed Business.

We estimate that Your purchases of goods and services in accordance with specifications will represent approximately 90 to 100% of Your total purchases in connection with establishing Your Licensed Business and approximately 90 to 100% of Your total purchases in connection with operating Your Licensed Business.

The numbers contained in this Item 8 are Our good faith estimates. We have little historic data from which to derive accurate numbers or percentages. In the interest of providing You with some point of reference, We have provided these estimates. Both We and Our affiliate(s) have the right to make a profit on items You purchase from Us. Any profits would be within the range of standards in the industry for the item(s) in question.

A provision in the franchise agreement that terminates the franchise upon your bankruptcy may not be enforceable under Title 11, United States Code.

California Addendum

(Applies only to California franchisees)

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination and non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER, BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR FRANCHISE AGREEMENT. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

Neither We nor any person identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling the persons from membership in that association or exchange.

The franchise agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Attachment G – State Law

The franchise contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

You must resolve disputes through binding arbitration. The arbitration will occur at Wayne, New Jersey, USA, with the costs of arbitration being borne equally by the parties. Each party will bear its own expenses, including attorney's fees. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Antitrust Law Section of the Office of the California Attorney General views maximum price agreements as per se violations of the Cartwright Act. As long as this represents the law of the State of California, We will not interpret the Franchise Agreement as permitting or requiring maximum price limits.

If your Licensed Business will be in California, You will not pay your Initial Fee to Us until your business is open and we have completed all of Our material pre-opening obligations to you. Item 5 of the Franchise Disclosure Document and Article 2 of the Franchise Agreement are amended accordingly. Please review Item 11 for our pre-opening obligations. You must have your bank verify that you have sufficient funds available at the time We sign the Agreement. The only condition on your obligation to pay the Initial Fee is that We must complete all of Our material pre-opening obligations to you.

The Illinois Franchise Disclosure Act, Section 4, prohibits any agreement that specifies jurisdiction or venue of any lawsuit in a place outside of the state of Illinois. The Act does permit agreements to require you to arbitrate outside the state of Illinois. The Act prohibits choice of law provisions that would require the application of any laws except the laws of the state of Illinois (Section 41). You cannot waive any of your rights given to you by the Illinois Franchise Disclosure Act (Section 41). You may have other rights under the Illinois Franchise Disclosure Act or other laws of the state of Illinois. Item 17 of the Franchise Disclosure Document is amended by adding: any general release required as a condition of sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

The Franchise Agreement and Franchise Disclosure Document shall be deemed amended so that no release, assignment, novation, waiver or estoppel is required if it would violate the Maryland Franchise Registration and Disclosure Law. Nothing in the franchise agreement, including any acknowledgments or representations, shall be deemed a release or waiver of any right or obligation under the Maryland Franchise Registration and Disclosure Law.

Item 17 of the Franchise Disclosure Document is amended by adding the following: The provision in the Franchise Agreement that provides for termination upon bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et. seq.).

We will protect your right to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name, to the extent required by Minn. Stat. §80C.12, Subd. 1(g).

North Dakota Addendum

(Applies only to North Dakota franchisees)

Under North Dakota law, no modification or change We make to the Manual or method of operation may materially affect your status, rights or obligations under the Franchise Agreement.

Covenants not to compete are considered unenforceable in the State of North Dakota.

Under North Dakota law, a requirement that you consent to liquidated damages or termination penalties in the event of termination of the franchise agreement is considered unenforceable.

The North Dakota Franchise Investment Law (Section 51-19-09) requires that the laws of North Dakota, which laws will prevail, will govern the Franchise Agreement. Further, North Dakota law requires that all issues or disagreements relating to the Franchise Agreement will be arbitrated, tried, heard and decided within the jurisdiction of courts in the state of North Dakota.

Under the North Dakota Franchise Investment Law (Section 51-19-09), a North Dakota franchisee may not be required to execute a general release upon renewal of the Franchise Agreement.

Rhode Island Addendum

requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.

If your Licensed Business will be in Rhode Island, You will not pay your Initial Fee to Us until your business is open and we have completed all of Our material pre-opening obligations to you. Item 5 of the Franchise Disclosure Document and Article 2 of the Franchise Agreement are amended accordingly. Please review Item 11 for our pre-opening obligations. You must have your bank verify that you have sufficient funds available at the time We sign the Agreement. The only condition on your obligation to pay the Initial Fee is that We must complete all of Our material pre-opening obligations to you.

South Dakota Addendum

(Applies only to South Dakota franchisees)

Covenants not to compete upon termination or expiration of a franchise agreement are generally unenforceable in South Dakota, except in certain instances as provided by law.

In the event that either party shall make demand for arbitration, such arbitration shall be conducted in a mutually agreed upon site in accordance with Section 11 of the Commercial Arbitration Rules of the American Arbitration Association.

The law regarding franchise registration, employment, covenants not to compete, and other matters of local concern will be governed by the laws of the State of South Dakota; but as to contractual and all other matters, this agreement and all provisions of this instrument will be and remain subject to the application, construction, enforcement and interpretation under the governing law of the state where the franchise is located.

Any provision of the franchise agreement which requires you to agree to jurisdiction and venue outside of South Dakota is void with respect to any cause of action which is otherwise enforceable in South Dakota.

Notwithstanding any term of the franchise agreement, We not terminate the franchise agreement upon default without first affording you thirty (30) days notice with an opportunity to cure the default within that time.

To the extent required by South Dakota law, all provisions giving any party a right to liquidated damages are hereby deleted from the franchise agreement and the parties shall be entitled to their actual damages instead.

Virginia Addendum

(Applies only to Virginia franchisees)

Item 17 of the Franchise Disclosure Document is amended by adding the following: The provision in the Franchise Agreement that provides for termination upon your bankruptcy may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et. seq.).

Washington Addendum

(Applies only to Washington franchisees)

If any of the provisions in the Franchise Disclosure Document or franchise agreement are inconsistent with the relationship provisions of RCW 19.100.180 or other requirements of the Washington Franchise Investment Protection Act, the provisions of the Act will prevail over the inconsistent provisions of the Franchise Disclosure Document and franchise agreement with regard to any franchise sold in Washington.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in Washington or in a place as mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

Attachment G – State Law
